Join us as we will learn about art in architecture! We will look around a Pueblo Village and journey back to Medieval Castles in Europe! The Famous American Architect, Frank Lloyd Wright will inspire us to create a prairie style home sculpture. Get creative as we draw a Dream Tree House with blueprints and floor plans while exploring careers in art. The fun won't stop there! We will learn about Vienna artist, Hundertwasser as he inspires us to paint our own interpretation of the Hundertwasser Haus. Join us this winter to build your skills in art and creativity through architecture! And, as always, Dress for Mess!
