## Reasons for Time Off

“Family Sick” – “Sick” – “Personal” – “Vacation” all of these reasons are self explanatory

“Excused Absence” means that someone is going to pay for the sub. An example would be Evidence Based Learning will pay for the sub while you attend a math class.

“Alternative Leave” Use this as a last resort before you use a “No Pay Day”. It can NEVER be used next to a “Personal Day”. You will not get your full pay on this day. You will be charged a portion of your daily rate.

“Other” is used for bereavement, military leave or jury duty.

“No Pay” is used when you have nothing left. (You CAN and MUST request a sub if you need one in your class, even if you have selected this option.) Please put in the “Description” why you are absent.

If you clicked on the button to let an additional supervisor know you are using a leave day, (i.e. a head custodian will be approved by the head secretary, but the custodial department needs to be informed so that they can get coverage), follow this procedure.

Go to the bottom and look up additional supervisor's name. Enter the first 4 letters of their LAST name. When you find your supervisor, check the box and click "Save."

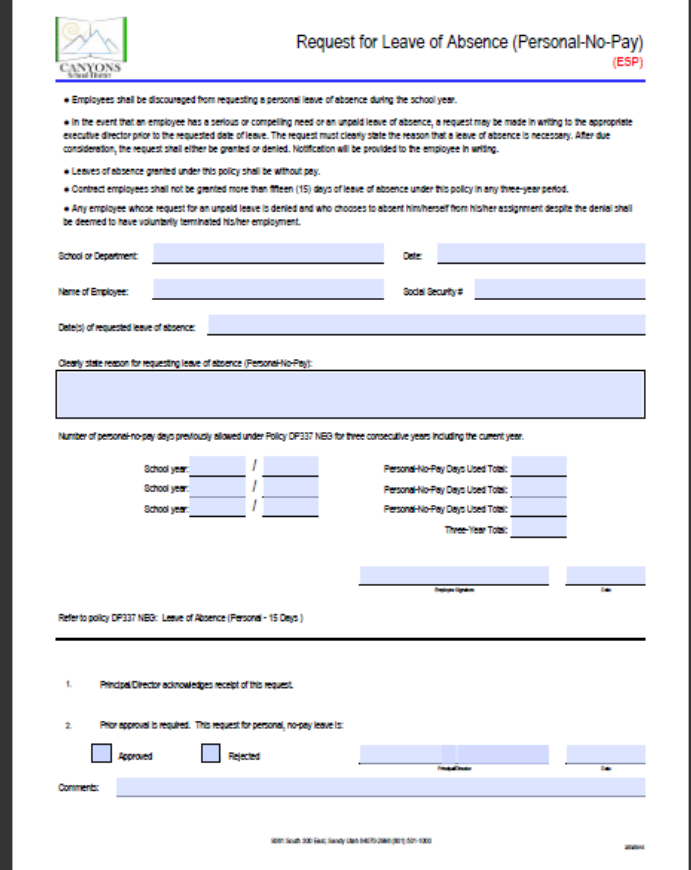

If an employee is out of leave days and needs a day off, they must submit a Request for Leave of Absence and have prior approval to use a NO PAY day. See DP337 or DP337B – Leave of Absence (Personal–15 Days).

In an emergency, or if you have been approved for a No Pay day, the process is:

- Enter **NO PAY** in the “Time Off Code” and as the “Reason.”
- Click on the sub button if needed.
- In the “Description” box enter the reason.
- There are consequences for violating the policy.

Licensed and ESP employees acquire this form from your supervisor or \_\_\_\_\_ →  
K–16 Director.

The form is titled "Request for Leave of Absence (Personal-No-Pay) (ESP)" and features the Canyon School District logo. It contains several sections: a disclaimer about the policy, a section for employee information (School or Department, Date, Name, Social Security #), a section for the requested leave (Date(s)), a large box for the reason, and a section for tracking leave usage (School year, Personal-No-Pay Days Used Total, and Three-Year Totals). At the bottom, there is a section for approval (Principal/Director acknowledges receipt, Prior approval is required) and a comment field. The form is numbered 001 South 300 East, Sandy Utah 84070-2000 (01/01/01) 000000.
