

# CODE™ To The Future

Learn how to speak the language of computers! Our methods integrate both Programming and Game Design, giving students a fun and well-rounded understanding of how to utilize technology to create. We combine world-class curricula and tools, with a pair-programming education model that makes learning programming a fun and supportive group experience.

## Crazy Chemworks - Shake up a flask of fun in the lab as a junior chemist!

### Lab Works

Use your hands as a real Mad Scientist in this whirlwind class on how a lab works! Learn to manipulate laboratory equipment at your personal lab bench, and take home your very own Graduated Gear to continue your research!

### Junior Reactors

Create a tiny world of atoms with your very own set of Atomic Coins! Learn to recognize chemical reactions and mix up a few reactive ingredients for some sensational results!

### pH Phactor

Slide down the colorful pH scale and dip into the world of acids and bases! Explore the pH extremes with your Reaction Tube in what is sure-to-be a popping experience! Discover whether liquids found in your home are acids or bases using your personal pH Paper!

### Slime Time

Ooze into a gooey hour of sliming around! Create slime using the Mad Science recipe, and then enter the Slime Olympics! Take home your own concoction of Mad Science Slime!

### Chem in a Flash

Hop on board the chemistry express for a high-speed science experience! Perform instantaneous experiments in this fast-paced class on split-second reactions that go like mad! Pick up an Action Flask and have a blast!

### The Glow Show

Discover amazing things that glow bright in the dark and come to light! Probe the properties of light and explore some unusual applications of glow-in-the-dark technology! Use your Blacklight Writer to make secret messages that only you can see!

### Super Sticky Stuff

Stick it to the walls, and push the power of tape to the limits in this adhesive hour on things that cling! Build a bond with glue and get attached to Professor Beakerdude!

### Dry Ice Capades

Manipulate matter in all of its three states! Melt metal in boiling water and freeze water with just a breath of dry ice! Use your Thermocolor Cup to test the temperature of liquid matter in your home!

## WINTER 2017

### After School Enrichment Programs

Register Now at:

## Entrada.revtrak.net

- Go to <http://entrada.revtrak.net>
- Click "Canyons School District Community Education Registration"
  - Click "After School Programs"
- Locate your after school program in which you are interested & click on the correct school to register
  - Click "Click here to Register for this class"
- Create an account (or log in if you already have an account), and pay for the class.

**Winter session begins the week of January 23rd**

**No programs will be held February 10th-20th**

Offered in partnership with Canyons School District Community Education

**For questions please contact individual providers only!**

**To register in person please contact Cheri Prince 801-826-6689**

## CHEERLEADING

This exciting class offered by Utah Dance Works focuses on the fundamentals of CHEERLEADING. Motions, cheer, chants, jumps, flexibility, dance, TUMBLING and stunting will be included in this FUN class as well as teamwork building, making friends and MORE! This program was developed by a winning coach/choreographer who has led several individuals and teams to excel in this sport, and who has had a BLAST in the process! Wear comfortable clothing and bring a water bottle.

## AFTER SCHOOL TENNIS

801-944-8782 or [www.utahtennis.com](http://www.utahtennis.com)

Tennis Elementary is an after school program designed for elementary age students 10 and under. Utah Tennis will conduct the program at the school gym or cafeteria room using shorter nets, low compression balls, smaller rackets and reduced court size. The program runs weekly for one hour, six week session taught by trained instructors and all the equipment is provided. Games are also incorporated into the curriculum so the kids have fun while they are learning a lifelong sport!

Find an Elementary school near you and sign up!

Class details: Grades 1-5, 1 hour, 6 weeks, \$60

Altara.....Wednesday.....1/25/17 - 3/8/17.....3:10-4:10  
 Brookwood....Thursday.....1/26/17 - 3/9/17.....3:40-4:40  
 Oak Hollow....Friday.....1/27/17 - 3/17/17.....2:00-3:00  
 Peruvian Park....Tuesday....1/24/17 - 3/7/17...3:00-4:00  
 Ridgecrest.....Monday....1/23/17 - 3/13/17.....3:25-4:25

Our After School Program is our most basic exposure to the game. The program is held on the school's outdoor field for K-6th grade students. InMotion provides all equipment for students entering the game and Almost Golf Balls for safety. The Program classes include ways to strengthen kids overall fitness and coordination and the basic fundamentals of the golf swing. Instruction includes putting, chipping, & full swings, as well as golf course rules & etiquette. 5 week program costs \$65

In these fun, educational classes, students will experience hands-on engineering fundamentals as they build motorized models using LEGO bricks. Bricks 4 Kidz provides a curriculum which introduces children to engineering, architecture, technology, physics and scientific principles. Creativity soars during a free-play session at the beginning of each class.

We Learn. We Build. We Play.

Students will not repeat lessons/builds.

8 weeks/\$95.00

Students will create a custom

LEGO mini figure to take home.

New students receive a Bricks 4 Kidz t-shirt.

## Smart with Art - Visual Arts Program - Winter 2017 : Bite Into Art

Bite into Art with us this session as we design original works of art all relating to different types of cuisine! Students will create unique projects exploring a wide variety of mediums like printmaking, oil pastel, paint, watercolor, and collage. We will have a feeding frenzy over famous works of art and styles while exploring new techniques. Learn how to draw a wacky self-portrait out of fruits and vegetables inspired by famous artist, Archimboldo. Paint and draw candy in the style of Burton Morris. Design your own watercolor food truck with a pop up side door, and much more. All supplies are included and projects are matted or framed. And, as always, Dress for Mess!

7 week program costs \$104. [office@smartwithart.net](mailto:office@smartwithart.net), 888-300-4671
