Overview

The Canyons School District implemented the U.S. Bank Visa Purchasing Card Program to facilitate the purchase and payment of small dollar purchases. The main purpose of this program is to establish a more efficient, cost-effective method of purchasing small dollar items.

The U.S. Bank Purchasing Card carries corporate, not individual liability.

Accounting will pay the monthly invoice for all purchases. You should never pay the bank. Use of the card does not impact your credit rating.

Monthly audits will be conducted on your card activity. As we continue to improve the way we conduct business, your feedback is important!

3 Strike Rule - Improper card use will result in cancellation and disciplinary action, which could result in termination of employment (infractions are tracked and notices will be issued).
