**FINDING BY CHIEF PROCUREMENT OFFICER
CANYONS SCHOOL DISTRICT**

Research has been conducted to find out if there are additional suppliers that may provide School- Connect high school social emotional learning (SEL) curriculum. A team of principals and specialists reviewed multiple curriculum programs. School-Connect was the recommended adoption and approved by the School Board on May 4, 2021. After contacting School-Connect and receiving a Sole Source letter, Bid 21DN13SS was placed on Periscope Source to solicit competition. There were no offers. It is the finding of the Chief Procurement Officer that the supplier School-Connect is the only source of supply for this Program and materials.

This finding will be effective for Canyons School District from May 22, 2021 – May 22, 2026. The Purchasing department will then review this finding and determine if any additional suppliers have entered the marketplace or if this will remain a sole source and extend the finding.

As Chief Procurement Officer, I find that it is in the best interest of the District to have this finding on file in order to allow the high schools to purchase this service as required without obtaining two (2) quotes.
