**FINDING BY CHIEF PROCUREMENT OFFICER
CANYONS SCHOOL DISTRICT**

Research has been conducted to find out if there are any additional suppliers that may provide the Street Smarts Driver Education Program for all secondary schools in Canyons School District. It was found that the supplier Lecticon has a contract with the Utah State Board of Education to supply that program (contract # USBE210046CT, CSD #22GC36SS). It is the finding of the Chief Procurement Officer that the supplier **Lecticon** is the only source of this product.

The licenses are a one (1) year subscription. The finding is effective for Canyons School District for the length of the USBE contract, from September 22, 2021 through December 14, 2025. The Purchasing Department will then review this finding and determine if any additional suppliers have entered the marketplace or if this will remain a sole source and extend the finding.

As Chief Procurement Officer, I find that it is in the best interest of the District to have this finding on file in order to allow the schools to purchase this equipment as required without obtaining two quotes.

For Gary O. Hansen
Chief Procurement Officer
