**Children's Drawing Camp—Beginning (Ages 10-14)**

Learn to draw with a variety of tools. Learn how to create different textures, making drawings with depth and distinction. Each child will receive their own Strathmore drawing pad, three (3) Prismacolor drawing pencils and a pink pearl eraser to keep. Bring a water bottle and a nut-free snack each day.

*Please call Catherine with any questions 801-623-7152. Class size is limited to 8 students. Cost: $85.00*

**Girls on the Run! (Ages 8-11)**

Camp GOTR combines the best of Girls on the Run with all the fun of camp! Girls will build friendships in a fun and inclusive setting that includes interactive games, being physically active, and expressing creativity through different outlets such as creating collages and storytelling. Camp GOTR will provide a one-of-a-kind opportunity for girls to develop self-confidence and learn life skills they can use now and as they grow! Girls on the Run will be offering two curriculum, Girls have Heart (June 17-20) which focuses on friendship, and Girls have Power (June 24-27) which focuses on emotions. Cost: $140

*PLEASE REGISTER AT: https://www.girlsontherunutah.org/Camp-GOTR  
Contact: Ivy Denihan at 419.296.3775 or ivy@girlsontherunutah.org*

Girls have Heart: Throughout the week, girls will have fun exploring friendships with activities designed to discover what makes a good friend and how to be a good friend to others. Girls will build, create, write, discuss, connect, and laugh all while participating in games and activities that will leave them feeling confident and appreciated by their teammates.

06/17/2019 - 06/20/2019 | Monday - Thursday 
9:00 AM - 12:00 PM | Eastmont Middle School

Girls have Power: During this dynamic session, girls will learn about the power they possess to recognize emotions in themselves and others, and now to express their feelings through fun and interactive activities such as “Emotion Detective”, building workshops, creative skits, and more!

06/24/2019 - 06/27/2019 | Monday - Thursday 
9:00 AM - 12:00 PM | Eastmont Middle School

If you have questions about any of the camps, please contact individual providers directly!
InMotion Multi-Sports Camp (Ages 5-12)

InMotion Athletics Multi-Sport Camp introduces students to a variety of sports. This will be a fun filled week learning Golf, Tennis, Basketball, and Kick-ball! This multi-sport camp gives your student the opportunity to learn and develop specific skills for each sport in a fun and encouraging environment. Students will be divided by age and skill level with an 8:1 student to instructor ratio. This will allow instructors to work individually with your student to achieve proper technique.

Contact: Stacy or Todd at 801.980.0162 or inmotionjr@golf@icloud.com

The Launch Team (Ages 8-12)

The Launch Team is a youth running program that trains youth to run the REVEL Big Cottonwood Half Marathon on Saturday, September 14th. Coaches run alongside the participants on neighborhood sidewalks around CTEC in Sandy or on a school track. Their mileage increases each week until race day. This 12-week program meets twice a week, and all participants learn the basics of long-distance running, nutrition, and strength work. The Launch Team has trained hundreds of youth (as young as 8-years-old) to complete a half marathon!

Participants run, run/walk or walk at their own pace. We do not encourage any competition within our program. We want to instill a love of running to all our participants that will last a lifetime.

The $99 program fee includes: Entry into the REVEL Big Cottonwood Half Marathon, a Launch Team training shirt, 12-weeks of training, a training plan to follow on days we do not meet and personalized coaching. Water will be provided during and after each run. Participants must come in good running shoes and attire, bring a water bottle if they want, wear sunscreen, and be ready to run in all weather conditions unless it is lightening out.

In August (Date TBD), participants will complete a 10K race down Emigration Canyon. More information on this will be provided. There will be no training on Thursday, July 4th or Monday, September 2nd. Training will be in the morning from June 24th thru August 15th and then it will change to evenings on August 19th thru September 12th due to school starting for Canyons District.

Dates & Times: 06/24/2019-08/15/2019 - Monday and Thursday - 7:00 AM and then from 08/19/2019 - 09/12/2019 and Monday and Thursday - 6:00 PM. End times will vary on miles being run that day and participants pace.

CTEC - Portable A | No Classes: 07/04 & 09/02 | Cost: $99

Soccer IQ Camp (Ages 5-12)

All our programs are designed with the goal of teaching all levels of soccer to all participants!

We all know practice makes perfect so our SOCCER I.Q. Program can offer your child the opportunity for more specific touches on the ball.

- Learn how to dribble, pass and shoot with our coaches focusing on each subject, while having fun in a no-pressure environment.
- Learn how to combine dribbling, passing and shooting together in game play situations.
- Learn how to apply dribbling, passing and shooting in specific position on the field.

We will monitor your players progress on their individual growth throughout the program. Please bring plenty of water to drink, shin-guards, and cleats.

Fees: $100 includes Soccer IQ t-shirt and Free Membership to our partnership Web Training Program https://soccertech.com

Questions? Please contact us directly at 801.938.5335 or SIQSOCCER@gmail.com

If you have questions about any of the camps, please contact individual providers directly!
Crazy Chemworks
When: June 17-20 from 9:00 to 12:00
Where: Eastmont Middle School
When: July 15-18 from 1:00 to 4:00
Where: CTEC
Ages: 5 to 11 - Cost $145
Hop on board the chemistry express where students perform amazing experiments with split-second reactions.

Dig into Archaeology
When: June 17-20 from 1:00 to 4:00
Where: Eastmont Middle School
Ages: 8 to 11 - Cost $145
Kids learn about archaeology and the techniques scientists use to excavate long lost cities! Each class includes a make and take-home project, like a fossil reproduction, an amber time capsule, and coins from around the world!

Secret Agent Lab
When: June 24-27 from 1:00 to 4:00
Where: Eastmont Middle School
Ages: 5 to 11 - Cost $135
Focus on the science of spies and detectives in this hands-on look at crime scenes and spy gadgets, identify and collect evidence, and analyze fingerprints.

Eureka! The Inventors Camp
When: July 8-11 from 9:00 to 12:00
Where: CTEC
Ages: 5 to 11 - Cost $145
Overcome a series of challenges using basic materials, simple machines, and tips from famous inventors. Most importantly, this camp is 100%

Mission: Code
When: June 24-27 from 9:00 to 12:00
Where: Eastmont Middle School
Ages: 5 to 11 - Cost $145
Fix the World! Be an engineer—build and solve problems. We explore aerospace, civil and mechanical engineering as well as Biomimicry, all with LEGO®.

Rockin' Rockets and Radical Robots
When: July 8-11 from 9:00 to 12:00
Where: CTEC
Ages: 5 to 11 - Cost $145
Explore the laws of physics and aerodynamics. Learn about circuits and programming while you build your own launchable Rocket and Radical Robot.

Brixology Elemental
When: June 24-27 from 9:00 to 12:00
Where: Eastmont Middle School
Ages: 5 to 11 - Cost $145
Celebrate the 50th Anniversary of the First Moon Landing by exploring how astronauts live in space. Learn about the suns, stars and planets. Build and launch your own model rocket!

Mission: Code is a unique Summer camp experience that allows kids, age 8-11, to learn essential coding skills while also engaging in active games and hands-on learning. Kids will develop computational thinking and problem solving skills in an online game environment where you give a robot a set of instructions to follow in order to solve the level. Each coding session provides kids with a fundamental skill set including algorithms, functions, relative directions and sequences. The combination of online activities paired with engaging offline activities like scavenger hunts, code-cracking mysteries and team robotics challenges that keep kids active and reinforce coding skills is a winning formula for fun!
