

Public Participation

The Board of Education encourages public engagement and frequently schedules time to hear from patrons during its Business Meetings. Public comment time is placed on the agenda at the Board's discretion, with the exception of truth-in-taxation hearings, budget hearings, and Board member compensation adjustments, in which public comment will be taken in accordance with state law.

Please note: The Board does not engage in public comment about personnel issues. Patrons or employees wishing to address the Board about personnel issues are asked to do so in writing to communications@canyonsdistrict.org or the Canyons Board of Education, 9361 S. 300 East, Sandy, UT 84070

Public Comment Instructions:

- 1 Public comment time is limited to residents and current employees of the District, except with prior approval of Board Leadership.
- 2 Patrons or current employees wishing to provide public comment are asked to write their names on the provided sign-up sheet within the first 15 minutes of the meeting. Participants must note the agenda item or topic they wish to address, and whether they represent a group. During the pandemic, the Board has also welcomed comments remotely. To participate remotely, patrons must email communications@canyonsdistrict.org by 5 p.m. on the evening of the meeting they wish to address.
- 3 When several people share the same opinion, the Board asks individuals to select a representative spokesperson.
- 4 Speakers must indicate whether they hold or are seeking an elected or appointed position.
- 5 Patrons may provide Board members with written documents pertaining to their comments. These documents must be submitted to the Board secretary.
- 6 Time allotted for individual public comment is at the discretion of the Board President. Generally, individuals receive 3 minutes, and groups receive 6 minutes.

About Canyons District

Canyons School District is the first new school district to be created in Utah in nearly 100 years. It was formed by the will of the people in Alta, Cottonwood Heights, Draper, Midvale and Sandy in a November 2007 referendum vote. Since its founding day July 1, 2009, Canyons District has built on its schools' traditions of academic, artistic and athletic excellence while moving forward with a new vision for public education.

We strive to be innovative in our approach to student achievement; responsive to the concerns of parents, patrons and employees; and dedicated to ensuring the responsible expenditure of public funds.

Board Officers

Superintendent
Dr. Rick L. Robins, Ed.D.
rick.robins@canyonsdistrict.org

Business Administrator and Chief Financial Officer
Leon Wilcox, CPA
leon.wilcox@canyonsdistrict.org

EDUCATION

CANYONS
SCHOOL DISTRICT

The Canyons Board of Education Welcomes You

The Canyons Board of Education is made up of seven community leaders who are responsible for establishing education policy for the children who attend school in Utah's newest school district, which started offering educational services July 1, 2009. Since that time, the Board of Education has worked to create a vision for public education that is focused on student achievement, innovative practices, community engagement, customer service, and fiscal accountability. To that end, Canyons District strives to support a school system that is responsive to patrons and dedicated to the advancement of students.
