2022-2023 Concerns and Resolutions Report to the Board

Safety and Digital Citizenship

#1 Concern:

Digital safety: cyberbullying

Other Concerns:

emotional wellness

Items discussed not on the report:

Drop off and pick up traffic

Action Plan:

Please be specific in the detail of this description including what measures will be taken, when and by whom to resolve concerns. **"Yes, we have an action plan" is not acceptable.**

Director's Comments:

- 1) Cyberbullying: lessons are taught on Friday's during _____ time. Canyoneering nights three times per year will focus on good digital citizenship. If individual cyberbullying concerns exist, please contact you principal or SRO.
- 2) Emotional Wellness: Thrive Time segments are being implemented this year. Further supports can be discussed with Dr. Brian McGill, Student Supports Director
- 3) Drop off and pick up of traffic – facilities director Matt Wolford will discuss with principal to determine specific concerns

Action Taken (Principal Comments):

- 1) Cyberbullying: have taught dig. cit. lessons and sent informational messages home with students in newsletter
- 2) Emotional wellness – implemented Thrive time

Safe Walking Routes

Concerns for CSD:

Sidewalk on 8250 South end at 700 east and starts back up at 875 east. Would like for it to be connected.

District Response:

This is a mixed Sandy/county issue as this stretch of sidewalk covers both entities

Concerns for Community Partners:

Roads: sidewalk as listed above

City/County Response:

Any City/County responses to concerns will be reported here.

City response: stretch of sidewalk on private property and property owners will not give land use for sidewalk. City will not declare imminent domain.
