FINDING BY CHIEF PROCUREMENT OFFICER CANYONS SCHOOL DISTRICT

Research has been conducted to find out if there are any additional suppliers that may provide DreamBox K-8 Interactive Math Classroom for Canyons School District. It provides seat licenses for their interactive online K-8 math classroom which uses a series of games and animations to teach students. The licenses are all access for a one (1) year term and each license is a seat for the online classroom. After receiving a Sole Source letter from Dreambox a bid was placed on Periscope Source to solicit competition. (Solicitation #22DN01SS). It is the finding of the Chief Procurement Officer that the supplier **DreamBox Learning** is the only source of this product.

Pricing on all purchases will be verified but competition will not be required. The finding is effective for all Canyons School District schools and departments from **August 19, 2021 - August 19, 2025**. The Purchasing Department will then review this finding and determine if any additional suppliers have entered the marketplace or if this will remain a sole source and extend the finding.

As Chief Procurement Officer, I find that it is in the best interest of the District to have this finding on file in order to allow the schools to purchase this equipment as required without obtaining two quotes.
