## **A-B-C Chart**

Student's name:			School/site:	
Observed from/ to/ Completed by:				
Behavior	of concern: (be specific and o	clear)		
Date/Start & end time	<b>A=Antecedent</b> : Location, activity, people, etc.	<b>B=Behavior</b> What did the child do?	C=Consequence What happened after the behavior	Observer Initials

Use this form at the beginning of an FBA to document what happens <u>immediately before</u> and <u>after</u> the behavior of concern. This can help discover what is triggering & reinforcing the behavior. Use for <u>only one behavior</u> (e.g. hitting).
